

## Funeral Services Held at Irma For the Late Edward J. Jones

EDWARD JOHN JONES

Funeral services were held in the Irma United Church on Wednesday, March 16th for the late Edward John Jones who passed away in the University Hospital on March 14th.

Mr. Jones was born at Brecon Wales on January, 1884 and came to Canada in 1904. In 1905 he settled in the Albert district northeast of Irma where he continued to farm until the time of his death. During those years Mr. Jones built up one of the finest farmsteads in the country, but his chief joy was his large and beautiful garden, the fruits, flowers and cuttings from which he most generously shared with all and sundry.

He was highly regarded as a friend and neighbor and the church was filled to overflowing by those who came to pay their last respects.

The deceased is survived by his wife, three daughters, Mrs. A. Cook of Irma, Edith B. Jones of Edmonton, Mrs. D. Smith of Ponoka and A step-daughter, Annie Pitt at home. Also three sons, Stanley, Albert and Edgar all of Irma. A fourth son, Flying Officer Cyril Jones, gave his life in the last World War.

One brother, T. Jones, is still living in Swansea, Wales, and another brother, Wm. C. Williams at Irma. Also a sister, Miss Jones in Lancashire, England.

Funeral services were conducted by the Rev. H. W. Inglis, Mrs. Simmerman sang "Only Remembered." The pall bearers were Messrs. L. H. Bars, Wm. Ramsay, W. J. Matthews, D. Smith, Sr., R. C. Johnston and C. L. Currie. Interment was made in the Irma cemetery.

### CARD OF THANKS

We wish to express our sincere thanks to our neighbors and friends for the kindness and sympathy extended during our recent bereavement.

— Mrs. E. J. Jones and Family.

### DONATIONS

The following list of names should be added to those donating in memory of the late Hazel Wakefield.

Floral tributes from: Mr. and Mrs. Dietrich and family, Fabyan; To the Church Building Fund by Mr. and Mrs. Atchison, Fabyan; To the Cancer Fund by Mr. J. C. Ford, Wainwright.

### IRMA WINS OVER WAINWRIGHT IN MIDGET HOCKEY

On March 19th, the Wainwright arena was the scene of a typical Wainwright-Irma struggle, as the Irma team took the homesters to the cleaners to the tune of 7-3.

Wainwright went ahead for the only time in the game as Harley slapped a loose puck past Enger in the Irma nets. Irma retaliated quickly as M. Lovig and Erickelton pushed the rubber into the Wainwright citadel.

Early in the second session, Erickelton completed his hat trick of the game as he drove in two more markers. Centered the team back in the running late in the period, neatly slipping through a momentarily weak Irma defence and shooting a sizzler past the Irma custodian.

That was all for the time being as Quinlan, A. Enger and Masson slapped in one piece to practically cinch the game for the visitors. Late in the period Hardin of Wainwright brought cheers from the crowd as he slipped in untouched to bring down the curtain on a free-scoring game that likely was the last of the season.

Owing to the poor ice conditions in Irma, no return engagement will be played.

## With the Field Supervisor

By F. W. Maddex  
WARBLE SPRAYING

Everything is in readiness for Warble Spraying. As soon as the Weather Man gives the all-clear signal we will be off. There is a possibility that spraying will start about Monday, March 28th. If your pens and chutes are not in shape, I would suggest that you see to it very soon. Also, get your communities organized so that you know where your cattle are to be sprayed. Full co-operation is necessary to get complete control of this menace to the cattle industry, the Heel Fly.

### Grass and Legume Seeds

There is still a good supply of Grass and Legume seeds available through the Forage Crop Distribution Policy, but the stocks will not last forever. Anybody wishing to start a hay or pasture lot on their farm and begin to restore the fibre and plant foods now would be wise to look into the possibilities of seeding down a few acres this spring.

The following little verse is a quotation from the cover of a bulletin "Water Erosion of Soils in The Prairie Provinces and Its Control," this bulletin is available in the office.

"Hordes of gullies now remind us We should build our lands to stay; And departing leave behind us Fields that have not washed away. Then when our boys assume the mortgage On the land that's had the toll, They'll not have to ask the question, 'Here's the farm, but where's the soil?'"

I think there is more truth than poetry in the above quotation.

I am very happy to report that approval has been received from the National Film Board to set up a circuit in the Municipal District of Wainwright No. 61. The Circuit will be under the direction of the Agricultural Service Board, and I will be in charge of equipment.

The equipment will be arriving in Wainwright early in April and showings will commence about the same date. There will be 12 evening showings during the first two weeks, and as many afternoon showings as possible, in order to introduce the Film Board to as large a number of residents and districts as possible. Following the introductory showing, a minimum of 10 showings every five weeks will be given in a two week period. In other words a new show every five weeks.

I feel that there will be a number of requests from different communities to have pictures shown in their respective centres, and I would like to have these requests as soon as possible. So if there is any community who wishes to receive consideration to get on the circuit, they would be well advised to send in a request at the earliest possible date, stating the hall or school location. It is going to be impossible to show in every centre in the Municipal District each period. I do feel though that a satisfactory alternating system can be worked out to meet most of the requests.

We feel that this Service of offering the National Film Board showings to the residence and ratepayers of the MD of Wainwright is very valuable service. We must bear in mind though that unless very satisfactory support is received in the early stages, the equipment will have to be returned and put at the disposal of a district which realizes the value of the National Film. I'm quite sure this will not be the case in the MD of Wainwright when I think of the numerous enquiries during the past fall and winter. So let's turn out and build up an indispensable Service.

Dates and Film listings will be carried in this paper well in advance of each showing and any district attraction of the evening. Mr. Robblee and I plan to discuss Agricultural Problems relating to the district at a number of the meetings. From now on watch your local paper for dates and places of the next showing, and plan ahead

## NEWS ITEMS FROM JARROW

H. G. Smith attended the Spring Stock Show at Calgary last week and purchased a Black Poll to head his herd.

Earl Burr was also a recent visitor at Calgary and as a result he is sporting a 1946 Ford light delivery.

Mr. and Mrs. P. Wright and Clifford, Mr. and Mrs. W. S. Jamieson, Howard and Grant, Mr. and Mrs. G. Bridgeman, Bruce and Stella, Mr. and Mrs. J. B. Campbell and H. McGuire all gathered at the G. Lovig home on March 11th to help Elsie celebrate her birthday.

The Jarrows-Batts Ladies' Aid met at the home of Mrs. A. Christenson last Thursday afternoon. As this was the first meeting of the new year the election of officers took place. The following were all put in again by acclamation:

President, Mrs. G. Theroux; Vice president, Mrs. H. Whidden; Secretary, Mrs. W. R. Meakins. At the close of the meeting, the hostess, Mrs. Christenson served a delicious lunch. The Christensons are moving to Fabyan and the members all expressed their sorrow at losing a faithful member. Mrs. Theroux presented a gift to Mrs. Christenson as a slight appreciation for her many services rendered. She replied very fittingly and invited us all to drop in for a cup of coffee any time.

Mr. and Mrs. W. S. Jamieson and Howard motored to Killam to see Mrs. Stretch who is a patient in the hospital there.

Visitors to the city this week include Mrs. G. Bridgeman, H. McGuire, Mrs. H. Whidden, Mrs. H. G. Smith and Mrs. R. Mark.

Mr. R. T. Meakins has returned home from the Wainwright hospital.

Mrs. G. Theroux entertained her S. S. pupils at dinner and lunch on Sunday, March 13th. The boys spent the afternoon tobogganing down the biggest hills they could find. The girls stayed inside. Sunday School is held at her home each Sunday morning at 11.

to bring the whole family to a free picture show.

### BANG'S DISEASE

I have had numerous complaints and enquiries from farmers lately due to, them losing calves from what they suspect to be Bang's Disease or Contagious Abortion. I am quite suspicious as to the fact that a large percentage of the calves being lost is due to Bang's Disease. I also feel that some of it may be due to feed or injury on the feed lot. Bang's Disease has been very suspicious in the M.D. of Wainwright for a long time, and up until the last few years nothing was done about it. The time has come now when something must be done about it. Some farmers have said to me, when asked if they would like to vaccinate their calves against the Dread Disease, "Why should I vaccinate I have never lost any calves," some of these same farmers are reporting to our office this spring that they have lost a number of calves and would like to know what can be done about it.

Some 600 head of heifers were vaccinated last fall in this M.D. and we feel that was a very good start. I do hope that a lot more could be vaccinated in the near future if a Veterinarian was available. We are in the unfortunate position that there is no Vet. stationed in the M.D. and to import one is sometimes difficult. Dr. Alexander was very kind to come into the district last fall and help us out, but he also has a large district to cover at Lloydminster.

## Southern Sayings

(Too late for last week)

Mrs. Jas. Jackson and Mrs. Roy Reber left for Edmonton Monday with Mrs. E. Pyle and Mrs. A. Knudson to attend the L.O.B.A. Grand Lodge this week.

Mrs. Floyd Bronson of Irma is staying at the Jackson home this week.

Miss Isabella Jackson was home from Wainwright for the weekend. A grand crowd attended the Card Party in Hedley's hall last Saturday and are looking forward to the next one on March 26th. Mrs. Jackson and Eddie won consolation prizes at the last Whist Drive in Irma Saturday night.

## In the Legislature

By W. Masson, M.L.A.

Estimates now being considered in the House show increased expenditures for administration costs in every department.

A grasshopper plague is anticipated in the South East part of the Province and provision is made for this. Unfavourable crop conditions in the area of the Wainham project last year necessitate some provision of seed for these settlers. The Veterans will be called on to pay one third of the seed costs with the balance being charged against their lease.

Premier Manning indicated that half a million dollars was appropriated for further irrigation construction work, while additional advantage of any joint Dominion-Provincial irrigation undertakings. More than nine million dollars has been appropriated for main highway construction; one million for bridge building; over five millions for public buildings and institutions.

The Alberta Premier told the House how provincial revenue was received; 28.12% of our income revenue comes from Dominion subsidies and grants as compared with 34.5% from that source last year. Liquor profits will be 15.34% as compared with 22%; motor vehicle licenses and gas tax represent 20.87% of our estimated revenue compared with 24.5% last year. Revenue from natural resources, including oil, will be approximately 24.11% or nearly 15 million dollars. The Premier stressed that this oil revenue comes from a depleting asset and should not be used for current expenses but should be used for capital expenditures which provide other assets in place of those being depleted.

Appropriations for highways and public buildings will be in excess of 15 million dollars this year. The total appropriations for social services including education and health, amount to approximately 26 million dollars.

Hon. D. B. MacMillan, in replying on the work of his Department to the House, indicated that the Province of Alberta did not receive a dollar in the way of Federal aid for roads. The State of Montana to the South of us last year received \$16 million in Federal aid for road work. The Dominion aid, in 1945, agree to pay two thirds of the cost of the Grimspear road which travels into Federal territory. At that time they estimated the cost to be \$2 million. When the road was completed it had cost \$2,800,000 and the Federal Government have refused to pay any portion of the increased costs, leaving it to be borne entirely by this Province.

Hon. D. A. Ure introduced a Bill relating to the sale of margarine. It has been referred to the Agricultural Committee where any interested groups or individuals will have the opportunity of making representation on this question.

Considerable progress is being made by the Legislature and there is every indication that the Session will finish before the end of March. Next week it is my purpose to give some information on some of the legislation presently being considered.

These  
Nozzles  
Make a  
Difference...

in the New NATIONAL FARGO SPRAYER

An entirely new development in spray nozzles—especially designed, after years of testing and research, eliminating all the faults of ordinary spray nozzles. A fine new screen completely covers all openings and eliminates sediment 100%. The screen, set deep in the boom for improved filter action, is constantly washed clean by the flow of liquid. New, simple adjustment makes it easy to line up nozzles with boom. Nozzles easily removed with special nozzle wrench provided.

Another feature of the new Fargo Sprayer is the new SUCKBACK VALVE. The boom is drained the instant you stop spraying. You simply turn a valve and chemical is sucked back into the tank. This feature stops nozzle dripping, saves on chemical.

## Locals

We've actually had March weather in March. What is our climate coming to!

Mrs. I. S. Reeds and Mrs. A. Enger attended the W.M.S. Branch conference at Edmonton last week. Mrs. Enger's sister, Mrs. Dawson of Hythe, returned with her to spend a few days renewing old acquaintances here in Irma.

We would like to acknowledge a letter received recently from Mrs. Gubins of Bliss Co., N.Y. Mrs. Gubins was asking about her old friend, Mrs. N. Wakefield of Oldco, Ind. and would like Mrs. Wakefield to write her.

Mr. and Mrs. A. D. Glasgow and Aletha Mae returned to Irma last week end after spending the winter at Victoria.

Mrs. A. C. Hockett of Viking spent last weekend with friends and relatives here.

Carolyn Inklin is a patient in the Viking hospital this week as are also Messrs. C. Coffin and H. E. Parke.

Among others on the sick list are Mrs. M. D. Askin, Mrs. E. Sharkey and Doreen Kennedy. All three are in the Wainwright hospital at time of writing.

Mr. and Mrs. Dick McRoberts and small son are planning on moving back to the farm this coming weekend.

A quiet wedding took place in Edmonton on March 16th, 1949. At the Metropolitan United church, when Irma Allison, youngest daughter of Mrs. J. Rome was united in marriage to John C. McLean, youngest son of Mr. C. S. McLean of Tolland, Alta. Rev. R. M. Thompson performed the ceremony. The newlyweds will make their home at Clondonald, Alta.

We greatly regret that in spite of much persuading we were unable to get a regular correspondent to cover the senior hockey games this year, especially when our Senior team upheld the famous traditions of past years and once more came out as winner of the Gas Line League. The Irma boys played a full schedule of 12 home and home games and held a comfortable lead over their opponents. Then crowned their year's efforts by winning the tournament at Newmarket.

The Irma line up was; W. Inklin, B. McNabb, H. Shreyer, R. Kirkman, Gus (Oscar) Prosser, C. Jones, W. Symington, R. McFarland, C. Soneff, B. Targett and "Red" Arthur, manager Ed. Sharkey.

The L.O.B.A. are holding a whist drive on March 26th.

We are sorry to report that Mr. I. S. Reeds is in Viking hospital suffering with a lame back. You have our sympathies, Mr. Reeds. We also threw one curling rock too many.

## Easterly Echoes

Carolyn Morse is the 4th prize winner in the Provincial Junior Essay Contest sponsored by the Northern Alberta Division of the Navy League of Canada. She received a certificate of merit.

We see Mr. Jack Taylor is driving a new Mercury five passenger coupe.

About 50 neighbours and friends of Mrs. Rome and Mr. John Sandberg gathered at Roseberry school on March 16th to bid them farewell. They are moving to a farm at Carrot Creek. During the evening's entertainment, Rev. Ingalls gave a talk and Mr. George Likness presented Mrs. Rome with a fancy sofa cushion and Mr. Sandberg with a purse. We all wish them good luck at their new farm.

Mr. Stuart Fenton purchased a \$1525 Hereford Bull to further improve his fine Herefords.

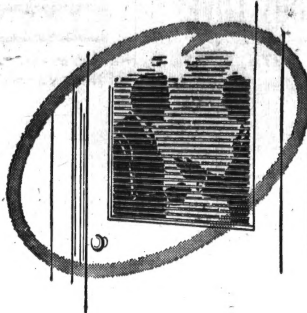

Mr. Harold Morse is once again working on the new school at Chauvin.

Mr. Malcolm Frickleton was a week end visitor at the home of Arnold Enger.

RESOLUTION RE OIL SURFACE RIGHTS

Resolution passed at Berwyn Men's Club meeting March 2nd, 1949. Resolved that the Provincial Government be urged to enact legislation to provide for the payment of 5% royalties to owners of surface rights with respect to all oil and gas production in cases where owners of surface rights do not own the mineral rights of their land.

½ tsp. pepper  
2 tblsp. butter  
5 eggs

1 cup stewed tomatoes

Melt butter, stir in flour and seasonings. Add tomatoes gradually, add well beaten egg yolks. Beat egg whites stiff and fold into tomato mixture. Bake 25 min.
